(1) HIGHLIGHTS FROM BISHOP Dr. DENNIS RAJ'S ADDRESS

RENEWAL AND
REVITALIZATION OF
CHURCHES

(as summarized by Bishop Dr. T. Jeyakumar)

CONFERENCE DIRECTION FOR 2023

To focus on the GROWTH GROUP AGENDA which we must wholeheartedly embrace as a Conference

WHY do we need Growth Groups?

- > Lack of deeper discipleship among our members.
- > Lack of deeper engagement with the Bible.
- > Lack of deeper fellowship.
- > Lack of new leaders
- > Leaders are unable to exercise spiritual leadership
- > Leaders function only as capable administrators.
- Full burden falls solely upon the pastor to care for the spiritual needs of all the members.
- ➤ The pandemic taught us that decentralizing our gatherings was very effective.

HOW are churches expected to organize Growth Groups?

- ➤ LCEC and the Pastor will need to organize small groups
- Comprising of our members, not more that 14 persons.
- Appoint Small Group Coordinator
- Appoint and train suitable small group leaders
- Groups may want to meet physically every week and should have option to meet over Zoom or Google meet
- Each meeting would be within one hour.
- For Groups can meet anytime when there is no other program taking place in the church, even on Saturday morning.

WORRYING TREND......(STATISTICAL DATA) - the Growth Croup can help to address

- > Total Membership down 0.7% (64 members left Tamil Methodist Churches in 2022)
- 25 Churches do not have Outreach & 24 Churches do not have Cell Groups

WHAT will happen during a one-hour gathering?

- > Time of Studying God's Word and deeper level discussion.
- > Sharing of personal concerns.
- Time of praying for one another.

WHAT do we expect from the development of Growth Groups?

- > Members to have a greater engagement with the Bible
- Members to apply biblical principles in their personal lives.
- Members to have a 'support group' within the larger church
- > Support Group cares for their spiritual & emotional needs.
- > Emergence of spiritual leaders who can disciple others.
- > Disciple by teaching, praying and caring for them.

WHERE would the teaching materials come from?

- All our local churches are different
- > Each church will know what the best material for their use
- Some churches already have a series they are following.
- > BOM will offer lessons suitable for the local churches.
- > Study based on the books of the Bible or have a thematic approach.

WHO will train?

- ✓ Local church Pastors
- ✓ The Board on Laity
- ✓ Dr Prem from DUMC
- experience in developing small groups Training at local church level or District level

✓ Others who have much

3 SIMPLE STEPS

Step One: Identify the leaders.

Step Two: Train them.

Step Three: Quarterly gatherings for feedbacks

WHAT about the local church agency fellowships?

- Their own Sunday programs would go on as usual,
- Growth Groups to be formed within the agencies.
- The President and another person can lead these groups as they meet during the week.

WHAT happens to Bible Study and Prayer Cell?

- Each local church should decide
- Dedicated group of people who want meet for
- weekly prayer should not be hindered
- All Church members should ideally belong to
- any one of the small groups,

God's word &praying together.

➤ Members will be blessed to grow by studying

IS this a Methodist way of doing things?

- John Wesley himself was part of a Small Group. It was called 'Holy Club' where both spiritual nourishment and spiritual accountability was the primary focus.
- Our Methodist Discipline has an entire section that focusses on the formation and development of small groups. (Section XI. Para 143 of the 2016 Discipline).

15 this related to our Conference theme of being Salt of the earth

and Light of the world? Yes. Very much.

- Our Saltiness comes from our innate discipleship and spiritual growth, which duly takes place in our Growth Groups. How can we be salt of the earth if we do not have saltiness?
 - None of us can produce our own light. Our light comes from our deeper engagement with Jesus who is the light of the world. This comes through the Growth Groups as well.

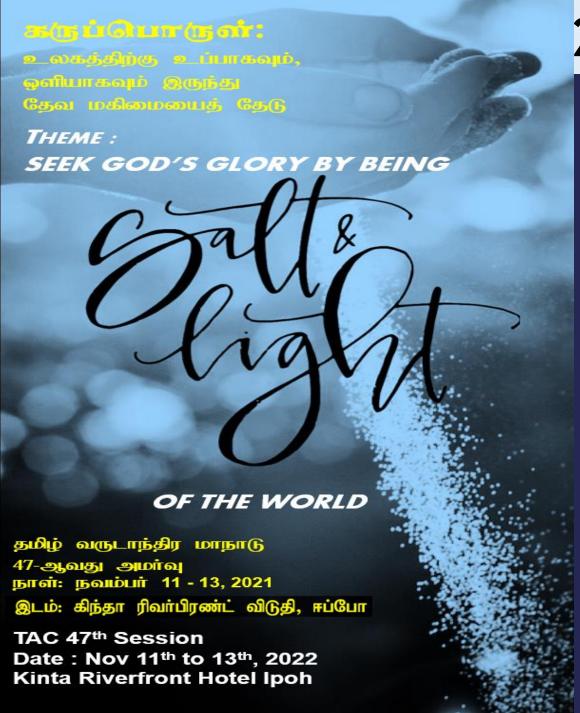

Are there any churches where Growth Groups cannot be formed or will not work?

- **YES.** It is a possibility due to two main reasons.
- Firstly, this would mean that some existing Local Church LCEC leaders do not want to be trained to function as spiritual leaders as they are either unable to or unwilling to disciple others. By refusing to lead a Growth Group, they only want to remain 'administrative' leaders who give ideas, organize events and programs.
- Secondly, it means that the church is not keen to seek growth by making the needed changes but want to remain latent even when the church is not being productive.
- **Change is always difficult**. However, if we ourselves are not willing to change things will become bad to worse. Things may seem outwardly strong but are very weak inside.
- * We have come to a season where people are already moving out to churches where they can grow deeper and lead others through their giftings. Growth Groups give them the opportunity to do both.
- ❖ We have also come to a stage where people choose to go to a church where want to be spiritually cared for by the leaders.

 People move away from our churches as they are not interested in being a member of a church where leaders have nothing more to offer, other than managerial skills.
